

THE 7th ANNUAL MEETING OF THE ISRAELI SOCIETY FOR CANCER RESEARCH

Smolarz Auditorium, Tel Aviv University, Israel | June 4, 2015

BRIDGING THE GAP: FROM TARGETS TO CLINICAL APPROACHES

CALL FOR ABSTRACTS!!!

Deadline: 12 April, 2015

Participants are welcome to submit abstracts for oral and poster presentations

General information and guidelines:

- Abstracts will be selected for **oral presentation** based on scientific merit.
- Candidates for **poster awards** will be selected prior to the conference and their poster presentations will be reviewed by the "poster committee" during the conference.
- To allow for appropriate reviewing process, the participants are requested to categorize their study in the website to one of the following topics:
 1. Drug Design and Therapy
 2. Tumor Microenvironment
 3. Dormancy, Angiogenesis, Metastasis
 4. Biological Regulation
 5. Genetic Alterations
 6. Others
- Authors will be notified in due time about acceptance of their abstracts for oral or poster presentation.
- NB: Inclusion of abstracts in the scientific program: Upon payment of registration fees only!
